Re: Lower Darby Creek Superfund Site
UPS SLIM No. ENV200242765

Dear Ms. Prisk:

Thank you for taking the time to speak with me yesterday concerning the Lower Darby Creek Superfund Site. This letter confirms that you have given my client, United Parcel Service, Inc., through and until May 31, 2002 to respond to EPA's 104(e) request in connection with the Site. In addition, you have agreed that UPS may limit its investigation to its Oregon Avenue, South Philadelphia facility. If UPS discovers relevant information about other UPS facilities during its investigation, it will include this information in its 104(e) response.

Thank you for your professional courtesy in this matter.

Very truly yours,

E. Peyton Núñez
